Busra Sahin

## ABOUT ME

Hello my name is Busra and lastname is Sahin.  
My background is in Turkey.

I have been in Canada for around 5 years. I  
am changing my career from Teaching to  
Developing.

You can see below some interesting facts about  
me:

- I`ve worked with the VSCode application while completing Salesforce training.
- I first learned how to use HTML after I took a computer course at University.
- I really want to be a very good Salesforce Developer.

## HOBIES

I enjoy reading, especially fantasy and science fiction novels.

Hiking on nature trails and mountains is a favourite outdoor activity of mine.

I love trying new recipes and cuisines in the kitchen. Capturing beautiful moments through photography is something I find very rewarding.

Gardening brings me joy, particularly growing my herbs and vegetables. Travelling to new places and experiencing different cultures is a passion of mine.

Music plays a big role in my life, and I enjoy both listening to it and playing instruments.

Crafting handmade items is a relaxing and creative outlet for me.

## GOALS

1. Become Salesforce Developer
2. Improve and update myself
3. Learn something new
